

## CALL FOR PAPERS

### "HRM and the Global Financial Crisis: Taking Stock and Looking Ahead"

2013 Meeting of the HRM Study Group of the ILERA  
10th European Congress of the International Labour and Employment Relations Association  
(ILERA), Amsterdam, The Netherlands, 20–22 June 2013

The 2013 meeting of the HRM Study Group of the International Labour and Employment Relations Association (ILERA) will be held during the 10th European Congress of the ILERA in Amsterdam, The Netherlands (<http://www.ilera-europe2013.eu/>). The topical theme of the 2013 meeting is based on the very successful Study Group meeting on "HRM in Turbulent Times" and the Special Symposium on "The Impact of the Global Financial Crisis on HRM/IR at Company Level: International and Comparative Perspectives" at the 10th European Congress in Copenhagen in 2010.

Abstracts and papers are invited on the above topic. We are keen to receive papers utilising a range of methodologies to explore and to analyze the importance of the dynamics of human resource management and employment relations, especially in times of a general economic downturn and/or of company crisis. The study group coordinators encourage the submission of theoretical and empirical work. We are especially interested in papers that adopt a comparative and/or international perspective. Original work that has not been published or accepted elsewhere is preferred.

The abstract should be around 1,000 words. The title page should consist of the paper title, name(s) of author(s), institutional affiliation and address, and contact details. Please send the abstract or paper as a Word or 'rtf' file by e-mail to [s.zagelmeyer@iubh.de](mailto:s.zagelmeyer@iubh.de) no later than **18 March 2013**. A committee will evaluate all submitted abstracts and papers. We would like to request all contributors to pay particular attention to the following aspects when preparing abstracts and papers: (i) make clear references to the theoretical framework of your research and the key literature in relevant debates; (ii) ensure that your research methods are clearly described; and (iii) focus the abstract on the main subject matter of your research.

Acceptance decisions will be communicated by **8 April 2013**. For further information on the 2013 meeting please visit the Study Group's webpage ([http://www.zagelmeyer.de/pageID\\_3782043.html](http://www.zagelmeyer.de/pageID_3782043.html)) and/or contact:
